## ABOUT ME

---

As a dedicated and detail-oriented BSc computer science student, I am passionate about leveraging technology to drive innovation and growth. With strong programming languages, data structures, and software development, I am excited to contribute my skills and knowledge to a dynamic organization. I am a quick learner, a team player, always looking for opportunities to grow and improve. With a strong academic record and hands-on experience in various projects, I am confident in my ability to make a meaningful impact in the tech industry.

## CAREER OBJECTIVES

---

; TO Secure a challenging position in a reputable organization where I can utilize my technical skills and knowledge to contribute to the company's growth and success.

## ACADEMIC EDUCATION

---

**Senior secondary education(12th class),**  
MR city sen.sec public school ,Balachaur,Punjab,India

- ✓ Stream : Non-Medical
- ✓ Percentage :81.6 percent

**Bachelor of science in computer science,**  
Gisma university of Applied science,Berlin,Germany

- ✓ period :2024-2028
- ✓ *Relevant coursework:* Data structures ,Algorithms , computer network ,Database management system , software engineering

## PROJECTS

---

### E-commerce Web Application

- Developed a full stack e-commerce platform using React ,Node.js and MongoDB
- ✓ Implemented features like user authentication , product catalog , shopping cart, and checkout process

### Traveling salesman problem project

- Implemented various data structures and algorithms in C++ to solve the traveling salesman problem.

## PRESENTATIONS

---

- ✓ Presentation Topic in the course of academic and research development, Gisma university of Applied science, berlin, germany(18 March 2025)
- ✓ presentation topic in the course of project management, Gisma university of applied science, Berlin,Germany (27 June 2025)

## **SKILLS**

---

### **soft skills**

- ✓ Team leadership .
- ✓ project management.
- ✓ problem solving.
